Adult activity competencies training record

To ensure that all guests taking part in activities at our facilities have a fun and safe experience; All those leading or supervising activities will undertake suitable competency training. This training will be delivered by our staff. As each activity training is completed both the trainer and the trainee will initial the corresponding box this indicates that:

- Staff have trained the trainee as being competent to supervise the activities.
- The trainee has received training in the activity and believes themselves to be competent to deliver supervision of the
 activity as defined in the training, activity instruction sheet and RAMS documents.
